

# YOUNES RAYMOND

# software engineer

# EDUCATION

## EDX Program - Online

Data Science & Big Data  
2020–2021

Harvard University - Online

CS50 Computer Science  
• 2018

## TECHNICAL SKILLS

- ✓ Programming Languages: JavaScript, Node, SQL
  - ✓ Frameworks: Next.js, Nest.js
  - ✓ Tools: Git, Docker, Jenkins
  - ✓ Databases: PostgreSQL, MongoDB

# SOFT SKILLS

- ✓ Collaboration
  - ✓ Critical Thinking
  - ✓ Communication
  - ✓ Agile

# CERTIFICATION

- ⭐ Development & PMP
  - Certified Scrum Developer
  - ⭐ Professional Development
  - Full Stack Web Developer

## ABOUT ME

Experienced Full Stack Developer with over 3 years of experience in JavaScript, Node.js, and CI/CD processes. Proven track record in delivering high-quality software solutions and significantly enhancing user satisfaction. Seeking a challenging role to apply my expertise and drive innovation in software engineering.

## WORK EXPERIENCE

- |                                                                                                                                                                                                                                                                                                                                                                                                                  |             |
